What a great start to our Talent Assemblies last Friday. I am always in awe at how confident our students are and how much energy and passion they put into their performances. I know Mr Bourke has his eye on some future Triple C stars that we can see in the making! Well done to Sammi, William, Evie, Charli and Savannah for an entertaining afternoon.

Not long now until we head off to camp. You will be able to follow us on our Facebook page with updates throughout the day (when we are able to). We have a really early start on Monday, so please make sure that all the children are well rested on Sunday night. We ask that people arrive at 5:30am for a 6:00am departure. The buses will not be able to wait for anyone. You will have to catch us up on the freeway. The itinerary is jam packed and I am sure that many lifelong memories will be made while we are away.

We will be holding our final Kinder Orientation this Wednesday in the library. All new parents are invited to this to get information from us about starting at CPS. This will be followed by a performance by Triple C and a morning tea in the hall. This is when is all starts to “get real” for the new parents and is always an exciting time. I’m looking forward to meeting new and familiar faces on Wednesday.
